MODEL YEAR 2027

V27.1 Printed in the U.S.A. Reign Marine LLC. All specifications, features, options, colors, and trim are based on the latest information at the time of printing. Reign Marine LLC reserves the right to make alterations at any time, without notice. Some boats may be shown with optional equipment available at additional costs.

MEMBER OF

National Marine Manufacturers Association

A photograph of two men on a REIGN pontoon boat. The man on the left is wearing sunglasses and a grey t-shirt, steering the boat. The man on the right is wearing a white t-shirt and is looking towards the left. The boat has tan and grey upholstery with the REIGN logo on the backrests. A black canopy with the REIGN logo is over the boat. The background shows a lake and trees under a blue sky.

A VISIONARY VENTURE

Why Choose REIGN MARINE?

Reign Marine was founded with one goal: to build a better pontoon boat.

We approached every part of the boat with purpose, focusing on strength, durability, performance, and long-term reliability. From our all-aluminum welded deck system to our chambered and pressurized tubes, each detail is designed to deliver confidence on the water.

Built in Iowa by a team that takes pride in doing things the right way, Reign Marine pontoons combine rugged construction, thoughtful design, and refined comfort.

Built to Rule the Water.

CONSTRUCTION

OUR SIGNATURE ALL ALUMINUM DECK

The Foundation of Every **REIGN MARINE** Pontoon

A stronger boat starts with a stronger deck.

Every Reign Marine pontoon is built on a fully welded, all-aluminum deck system designed for exceptional strength, rigidity, and long-term durability.

Unlike traditional wood-based construction, aluminum will not rot, absorb water, or weaken over time.

Strength you can feel every time you step aboard.

PRESSURIZED TUBES

OUR .100-GAUGE ALUMINUM TUBES FEATURE INDIVIDUALLY PRESSURIZED CHAMBERS SEALED TO 3.5 PSI — DELIVERING EXCEPTIONAL STRENGTH, RIGIDITY, AND STABILITY WHEN THE WATER GETS ROUGH.

WAVE SHIELD

THE SMOOTH UNDERSIDE OF THE REIGN DECK DOUBLES AS A BUILT-IN WAVE SHIELD, SHEDDING WATER AND REDUCING DRAG FOR A QUIETER, DRIER RIDE — NO ADD-ON PANELS REQUIRED.

FULL LENGTH KEEL

A FULL-LENGTH CENTER KEEL REINFORCES THE HULL FROM BOW TO STERN, IMPROVING TRACKING, STABILITY, AND HANDLING. IT STRENGTHENS EVERY REIGN HULL, DELIVERING A SMOOTHER, MORE CONTROLLED RIDE EVEN WHEN THE WATER GETS ROUGH.

EXTRUDED SPLASH FINS

BUILT FROM SOLID ALUMINUM, EXTRUDED SPLASH FINS COMBINE STRENGTH WITH FUNCTION — DEFLECTING SPRAY, REINFORCING THE NOSE, AND KEEPING THE DECK DRY THROUGH ROUGH WATER.

FULL LENGTH M BRACKETS

FULL-LENGTH M-BRACKETS RUN THE ENTIRE SPAN OF THE DECK, CREATING A STRONGER, QUIETER FOUNDATION THAT RESISTS FLEX AND VIBRATION — THE BACKBONE OF EVERY REIGN MARINE PONTON.

ARMORCOAT RAILS

ARMORCOAT RAILS USE THICK ALUMINUM AND A TEXTURED POWDER COAT FOR LASTING PROTECTION AGAINST SCRATCHES, FADING, AND CORROSION — RUGGED DURABILITY WITH A REFINED FINISH.

ROTOMOLDED SEAT BASES

EMBOSSED MARINE UPHOLSTERY, WOOD-FREE ROTOMOLDED BASES, AND NO EXPOSED PLASTIC GIVE REIGN SEATING A DURABLE FINISH THAT LASTS YEAR AFTER YEAR.

FOAM BACKED VINYL FLOORING

FOAM-BACKED VINYL FLOORING OFFERS COMFORT, GRIP, AND LASTING DURABILITY — SOFT, QUIET, AND BUILT TO HANDLE EVERY SEASON ON THE WATER.

FIBERGLASS HELM

A GEL-COATED FIBERGLASS HELM COMBINES STRENGTH AND STYLE — FADE-RESISTANT, DURABLE, AND BUILT TO COMMAND THE WATER WITH CONFIDENCE.

ROYAL

SERIES

ROYAL 22^s

The Royal Series **STANDS APART**

The Royal Series brings durable construction and refined design together.

Below the surface, a fully welded aluminum structure, .100-inch pressurized tubes, full-length M-brackets, and a solid aluminum deck deliver strength and stability.

Above it, clean styling, comfortable interiors, and thoughtful details create a pontoon designed to stand apart.

MADE TO REIGN

STANDARD FEATURES

- All Aluminum Extruded Floor
- 20'-24' Bi Toon With 27 Gallon Fuel Tank
- Chambered and Pressurized Tubes
- .100 5052 Aluminum Tubes
- Full Length Keel
- Ratchet Mooring Cover
- Luxury DuraFoam Backed Woven Vinyl Flooring With Choice of Color
- Stainless Steel Flip Up Cleats
- Dual USB Phone Charger
- Single Battery With On-Off Switch
- Stainless Steel Navigation Lights
- Rotational Molded Seat Bases
- 10' SureShade Power Bimini Top
- Automotive Style Dash
- Stainless Steel Ladder
- Helm Mounted Tumbler Ready Stainless Steel Cup Holders

SWIVEL, SLIDING, & RECLINING CAPTAIN CHAIRS

REIGN

Like Neptune, the Roman god of the sea, Reign Marine pontoons are built to command the water with confidence, strength, and grace. Every pontoon is designed so you can rule your time on the water, turning every outing into a memorable adventure.

Built to REIGN. Inspired by the Ruler of the Seas.
